

Your Fairy Dogmother

Matted Pet Release Form

Because we care about your pets, we want to assure you that every effort will be made to make your pet's grooming experience as pleasant as possible.

Pets with matted coats need extra attention during their grooming session. **There is an extra charge for de-matting, assessed at \$2 per minute.** Please note also that the skin beneath the mats might be irritated, red or have open wounds due to the matting. Furthermore, a matted coat prevents the skin below from being exposed to the air. When the mats have been removed either by de-matting or shaving, and the skin beneath is once again exposed to the air, itching and irritation can occur.

Your Fairy Dog Mother does not wish to cause serious or undue stress to your pet, and will not continually de-mat your pet for you. Prevention is the best defense against matting by scheduling regular grooming appointments.

By signing this release form, you agree to additional matted pet fees, which will be determined by the groomer after the work is completed. You also acknowledge that you have been informed of the possible complications. You agree to hold Your Fairy Dogmother, its owners, operators, employees, officers and directors harmless from any issues related to the pet's matted coat.
